

## Responses to Questions:

1. You have asked for on-site set-up and support training for 3 people. Did you want the training on-site as well?
  - a. Yes, we want onsite training.
2. You have asked for the system to include a calibration sphere with bar. Our systems do not require this calibration sphere. Is this necessary?
  - a. Yes, we want a calibration sphere included.
3. You have asked for the unit to have Wi-Fi. Is this required? Ours has Bluetooth but no Wi-Fi. Would that be acceptable?
  - a. Bluetooth is acceptable.
